THIS DIGNITY ACT COORDINATOR UPDATE TRAINING KEEPS FOCUS ON CONTROVERSIAL ISSUES FACING LONG ISLAND SCHOOLS

These are challenging times that demand the attention and expertise of Dignity Act Coordinators. Now more than ever, the intersectionality between Implementing the Dignity Act, Creating a Positive School Climate, and School Safety, has never been more evident. CAPS offers training for those who serve as Dignity Act Coordinators and for others who are interested in learning more about the Dignity Act.

CAPS' 3rd Annual Dignity Act Coordinator Update Training will provide opportunities for DACs to review their role and obligations under the Dignity Act, as well as explore and respond to contemporary and controversial issues facing Long Island schools.

Participants will build their capacity for understanding and responding to:

- Making Sexual Harassment Prevention a Priority in our Schools: #metook12
- Restorative Practices: A Proactive Way to Reduce Conflict, Bullying and Aggressive Behaviors
- School Safety: Preparing & Responding to Active Threats
- Update on Investigating & Reporting Bullying, Harassment & Discrimination

There will be time allotted for Q & A.

Attendees will receive a certificate that they participated in this Dignity Act Coordinator Update Training.
